

6 SIT COMFORTABLY

Bar stools and dining chairs are all useful in a country kitchen, but nothing beats sinking into soft, squidgy cushions with a cup of tea. A window nook is perfect for a compact sofa or love seat and banquette seating also works. Removable covers made from robust upholstery-grade fabrics are essential.

Window seat in **kitchen**, from £35,000, Chiselwood, 01522 704446, chiselwood.co.uk
